

# ABOUT THE RIVERMILL

Nestled in the peaceful Gold Coast hinterland, The Rivermill was originally a working mill from the early 20th century and was a cornerstone for the local farming community. With six hectares of open space, The Rivermill is a place to relax, connect with loved ones, and enjoy the simple pleasures in life.

The Rivermill offers a wedding experience like no other. Say “I do” by the tranquil riverbank, in our charming chapel, beneath blooming jacaranda trees, or inside the rustic elegance of our barn.

With on-site catering, bar service, and accommodation, every detail is thoughtfully taken care of, so you can simply relax and enjoy the magic of the moment.
